**Technical Skills** Android, Kotlin, Java, Jetpack Components, SQL, Room, Realm  
**Soft Skills** Adaptability, Teamwork, Critical Thinking, Multitasking, and attention to detail

## EXPERIENCE

---

**Software Developer I** Aug 2022 - Present  
Firstcry.com *Pune, India*

- Developed and optimized Android applications using multi-threading, Jetpack components and clean architecture.
- Managed end-to-end development, deployment, and bug-fixing across multiple projects.
- Effectively handled multiple concurrent projects and ensured seamless releases. .

**Android Developer** April 2021 – Jul 2022  
Tacktile Systems *Nagpur, India*

- Implemented MVVM architecture for scalable, maintainable, and testable code.
- Utilized core Android components (Activities, Services, Broadcast Receivers) for efficient app development.

**Application Developer** July 2018 – Mar 2021  
Vedam Labs *Solapur, India*

- Designed and developed native Android applications from concept to deployment.
- Applied OOP principles, Android SDK, Java, and Linux to build efficient mobile solutions.
- Developed client-focused applications, ensuring smooth user experience and performance optimization.

## PROJECTS

---

**FirstCry India & Arabia** : India's largest online platform for baby, kids, and parenting products. The Shopping section offers essentials for newborns to 12-year-olds, while the Parenting section provides learning resources, entertainment, and expert parenting assistance.

**Simple Accounting & Bookkeeping** : A user-friendly app designed for small businesses to manage transactions like sales, purchases, payments, expenses, and taxes. Features include invoice generation, expense tracking, and payable/receivable management, making accounting easy for non-experts.

**Intellitots Education** : A learning and classroom management app by FirstCry Intelli Education. It provides fun activities for children (0-6 years) while helping teachers streamline classroom operations through structured educational tools.

**LMS FirstCry Academy** : An employee training and development app offering training materials, webinars, assessments, and performance tracking.
